*POST HIGH SCHOOL EDUCATION OR TRAINING REQUIRED FOR CAREER GOAL _____

The Personalized Pathway Requirements (PPR) are related courses that lead to a specific post high school career or educational outcome chosen by the student based on the student’s interests and their High School and Beyond Plan. PPR classes may include Career and Technical Education and are intended to provide a focus for the student’s learning. Students may use a PPR class in place of the required 1 of 2 Fine Art Credits and/or up to 2 credits of the World Language requirement in the Core 24 Requirements.

Core 24 Graduation Requirements for Fine Arts and World Language Credits	Personalized Pathway Requirement Classes	Parent Signature
Art (1st Semester)		
Art (2nd Semester)		
World Language (1st Year, 1st Semester)		
World Language (1st Year, 2nd Semester)		
World Language (2nd Year, 1st Semester)		
World Language (2nd Year, 2nd Semester)		

This form must be completed with your counselor.

*Carefully consider your post high school plan before choosing to deviate from the Core 24 requirements. If your post high school plan is a 4 year college or university, 2 years of World Language will be a minimum requirement. Fine Arts credits may also be a requirement. Community colleges and Vocational/Technical Schools typically do not require 2 years of World Language and 2 years of Fine Arts, but **you are responsible for knowing the admissions requirements of the school or program you plan on pursuing**. Having a world language skill can provide a competitive edge in many Technical Career Fields. Students often change their post high school plans as they progress through high school. We encourage all students to keep their options open and complete the Core 24 World Language and Art Requirements.
